[160805 EPA comments - Gunderson Area 2 Updated GW SCE.pdf](#)

Hi Dave.

I finalized coordination on our comments and am providing them to you here, along with those we received from EPA. As you will see, we integrated the comment sets, aside from the two points in primary comments from EPA with which we disagreed. I am asking for a revised submittal within a month, to keep us on schedule. Please let me know if you'd like to discuss any of the comments or the timeline.

Regards,

--Alex
